

## DELIVERING MULTI-FUNCTIONAL TECHNOLOGIES TO PROMOTE BEAUTIFUL SKIN THROUGH THE SCIENCE OF CELLULAR WATER™

### Skin Concerns

- Skin imperfections
- Fine lines and wrinkles
- Uneven complexion

### Eye Lift Illuminator

(1.8 mL): Instantly brighten the eye area with an illuminating violet formula that increases firmness by 50% in 15 minutes. Hydrate, depuff and minimize dark circles to rapidly restore a youthful look.

### Eye Lift Perfector

(1.8 mL): Increase skin firmness by 50% in 15 minutes with a natural-tinted formula that evens skin tone. Lift, hydrate and depuff while minimizing dark circles to restore a youthful look.

Adaptive Shade Technology Skin Tone Spectrum

### Skin Perfecting Primers

(30 mL): Oil-free, pore minimizing formulas create the perfect canvas by concealing flaws, evening skin tone and can be used under or in place of foundation. One universal shade creates the perfect skin tone match.

**Dewy Finish**—a radiant glow, powered by light-enhancing minerals

**Matte Finish**—a delicate powder finish that's shine-free
